

S.H.S

A second family.
A second home.
An interminable guarantee of never feeling
alone.

Perpetual love,
and security.
Friendship and trust
in this community.

A community
which accepts all,
despite backgrounds,
appearances and flaws.

A community
which provides friendship
through the good times,
and the hardships.

A community
consisting of people that care.
And, in a time of need,
are guaranteed just to be
there.

A community like this,
well there aren't many around.
A community like this,
is hard to be found.

Where everyone is considerate,
amity is a tool.
This community can be found,
only
at
Small Heath School!
